# RFBYC Commodore's Welcome

---

Royal Freshwater Bay Yacht Club as the Organizing Authority for the 2024 Etchells World Championship, in conjunction with Royal Perth yacht Club, Fremantle Sailing Club and the Etchells Swan River Fleet is delighted to welcome competitors to Perth, and in particular, the many visitors here from Overseas and the East Coast. The facilities at the host venue, Fremantle Sailing Club, are world class and the ocean off Fremantle is renowned throughout the world for its outstanding sailing conditions. The course area at Owen Anchorage is a location that has been used for numerous World Championship events, including the Perth 2011 ISAF World Championships and a host of other national and international sailing events and is simply one of the best bodies of water in the world to sail on.

Royal Freshwater Bay Yacht Club has a long history with the Etchells Class when it was first introduced to the Club in November 1984. Since the establishment of the Swan River Etchells Fleet, RFBYC has maintained a strong relationship with the class and are very proud to have produced a number of National Champions since then including Peter Chappell, Skip Lissiman, Michael Manford and Willy Packer.

Since the event's postponements due to Covid-19, RFBYC has remained committed to hosting this prestigious event and has worked collaboratively with our sponsors, the Etchells Associations, Fremantle Sailing Club and members of both Royal Freshwater Bay Yacht Club and Royal Perth Yacht Club to bring this event to fruition. We have been looking forward to welcoming regional, interstate and overseas competitors to enjoy the hospitality of all three clubs for what we are sure will be a memorable experience for all.

Of course an event of this size is not possible without the enormous effort of a great number of volunteers and I take this opportunity to thank them sincerely for their commitment and dedication to our sport.

# Regatta Chairman's Welcome

---

It is with genuine pleasure that I extend a heartfelt welcome to all competitors, sponsors, and volunteers to the 2024 Etchells World Championship in Fremantle, Western Australia. Your presence and support are truly appreciated as we come together to compete and celebrate, not only sailing but shared community.

To our competitors, we extend a warm welcome to those who have travelled from near and far to compete in this prestigious championship. You are the focus of this event, as such we will do everything we possibly can to support you in achieving your result, whatever that may be.

To our sponsors we extend our sincerest appreciation for your generous support and commitment to the success of our Regatta. Your contributions have been instrumental in making this event possible, from providing essential resources to enhancing the overall experience for participants and spectators alike. We are honoured to have you as partners.

To our fantastic volunteers and race officials we thank you in advance for your dedication, time, energy, and expertise that will ensure the smooth operation of the championship. As we all know the behind-the-scenes task list for a regatta like this is enormous. Also, a big thank you to our Clubs for their support and contribution, we are blessed here in Western Australia with a group of Clubs that share resources, facilities and of course quality people who make our task much easier. Finally, I am sure this World Championships will be remembered for not only great sailing and serious competition but respect for your fellow competitors, volunteers, and Race Officials.

Good luck to you all.

Rob Rooke  
Organising Committee Chairman

# Swan River Fleet President's Welcome

---

The Swan River Etchells Fleet members extend a very warm welcome to our overseas and Eastern States visitors to Fremantle.

We pitched for the Fremantle Etchells Worlds back in 2016 and due to Covid plus calendar issues the regatta was delayed, but here we are now with the 2024 Etchells Worlds on stage.

The regatta has given our fleet a complete new lease of life with 11 competitive Swan River Fleet Etchells entered. Many hours of boat maintenance and training has also been invested into the fleet, as can be seen by the results of the recently held WA states. The Swan River Etchells Fleet is alive and prospering reinforced by the good news story of Jason Poutsma (AUS883) and his teenage crew of Xavier George, both 18 years old and Thomas, 13 years old, all junior members of RFBYC, in winning the last heat of the WA States.

This indicates a positive future for the Swan River Etchells Fleet.

The local Etchells fleet members are keen that you all feel welcome and have a great time here at Fremantle. If you need anything, just ask a Swan River Fleet member or one of our organising committee persons.

Doug Kerr  
Captain, Etchells Swan River Fleet
